**Model identifier:** GF SiLine (Lift) M / SKA 425 E

**Use:** Display and sale

**Type of refrigerating appliance with a direct sales function:**

refrigerated vending machines

|                                                                                                                                              |             |
|----------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| Cabinet family code, according to the harmonised standards or other reliable, accurate and reproducible methods in accordance with Annex IV. | Kategorie 2 |
|----------------------------------------------------------------------------------------------------------------------------------------------|-------------|

**Product specific parameters**

**5. Refrigerated vending machines,**

**- refrigerated glass fronted for can and bottle, confectionary & snack**

|                               |                                             |
|-------------------------------|---------------------------------------------|
| Volume (dm <sup>3</sup> or L) | Temperature class (according to Table 4(c)) |
| 661                           | category 2                                  |

**General product parameters:**

| Parameter                         | Value  | Parameter                                                                                                                                                                       | Value |
|-----------------------------------|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| Annual energy consumption (kWh/a) | 848,56 | Recommended temperature(s) for optimised food storage (°C) (These settings shall not contradict the temperature conditions set out in Annex IV, Table 4, 5 or 6, as applicable) | 12    |
| EEl                               | 34,5   | Energy efficiency class                                                                                                                                                         | C     |

**Light source parameters:**

|                         |     |
|-------------------------|-----|
| Type of light source    | LED |
| Energy efficiency class | D   |

**Minimum duration of the guarantee offered by the supplier:** 12 months
