HO Siamonie series

New Generation of PC for the HO Siamonie Series

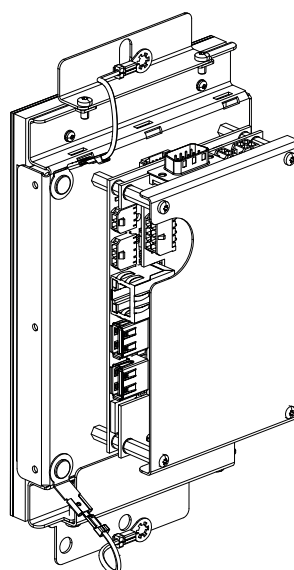

Dear Customers,

We would like to inform you that with effect from week 42/2018, machine serial no. 90475237 a new generation of PC will be fitted into our Siamonie hot drinks machines. This new generation of computer (Exceed) is downward compatible and if necessary can be installed in existing machines.

OLD (SiMe) Part no.: 408.01.376.00
DISPLAY COMPLETELY ASSEMBLED SIME

NEW (Exceed) Part no.: 417.01.520.00
DISPLAY COMPLETELY ASSEMBLED HMI

The latest software for the new Exceed board can be found on our Homepage in the Download-Center (<http://www.sielaff.de/download-center/>).

When converting to this new generation of PC, we also recommend that the latest software is downloaded onto the machine control board. This software is also available in the Download-Center.

Yours sincerely,
Your Sielaff Team
