Evaporator fan conversion

Due to the new Ecodesign Regulation and the energy consumption labelling, the cooling system evaporator fans were replaced by energy-saving fans on 1 March, 2021.

The new energy-saving fan 985 27 506 22 replaces the previous version 985 27 600 03. The new fan is 100% compatible.

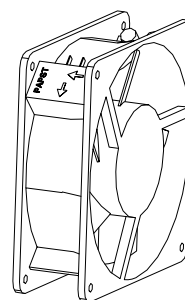

New:

9852750622

AC compact fan EC (ACI 4420 H)

Previous version:

9852760003

AC compact fan (4650 N)

NOTE

Note the mounting position.

The arrows on the fan indicate airflow.
