

TECHNICAL INFORMATION

17. January 2020

TI0220

Machine type/s:

SiOne/ SiOne Small

New anti-duping device

The contour of the anti-duping device has been redesigned. This improvement prevents cups from becoming caught on the anti-duping device.

Two conversion kits are available:

RS anti-duping device	685 50 096 00
RS ingress protection with anti-duping device	685 51 094 00

Our hotline is always available to answer any questions:
