

## TECHNICAL INFORMATION

Date: 14.02.2023  
TI: 2123  
Type of vending machine: SiDesigner

### SiDesigner 2-22.07.0.7716

The new SiDesigner 2-22.07.0.7716 offers new functions and optimises previous features. We would like to draw your attention to a few highlights.

#### Slideshow

The previous content of the slideshow folder is processed correctly. Different upper- and lower-case file extensions are treated equally.

#### Compatibility

Compatibility with the previous design structure has been improved.

#### Download

You can find the latest software on our homepage in the [download centre](#).
