Machine type/s:

SiVend HG 20 Trend, SiGusto NX

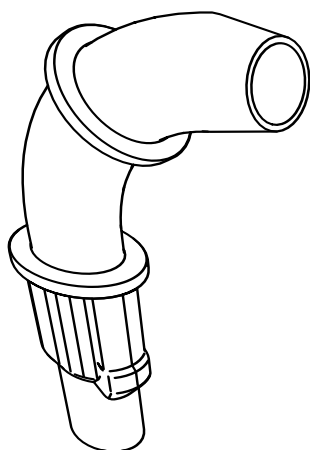

New shape for D5 outlet pipe

As we continually endeavour to improve our products and quality the contour of the pipe connection has been modified. The outer contour has been improved at the top of the pipe connection.

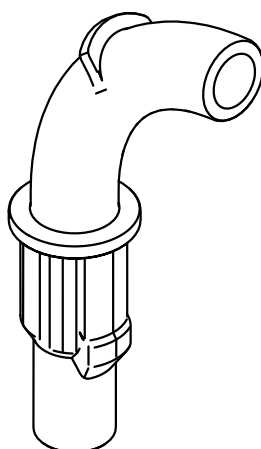

Previous

New

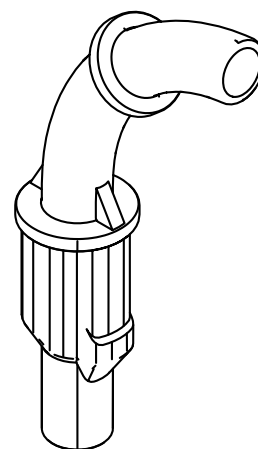

Other

412 00 185 00
Old D5 outlet pipe

412 00 185 00
New D5 outlet pipe

412 00 200 00
The contour of the brown D4 outlet pipe is not affected by this modification

From serial number 90516130, production date 7.12.2021 the new outlet pipes are now fitted as standard. Please continue to use part number 41200 18500 if the D5 mm outlet is required as a spare part.
